WHY STUDY ACUPUNCTURE & CHINESE MEDICINE AT KCCIHS?

The Kootenay Columbia College of Integrative Health Sciences (KCCIHS), formerly, the Academy of Classical Oriental Sciences (KCCIHS), is a well-established school now in its 20th year of PTIB accreditation (Private Training Institutes Branch). This standing means that our programs, instructors, and facilities are all government approved and regulated and that our students are eligible for student loans. Our Traditional Chinese Medicine graduates have successful practices all over the world and KCCIHS is renowned for its comprehensive educational programs and its rigorous academic standards.

Graduates of the College are consistently successful in passing their licensing exams in British Columbia, Alberta, and in the United States. Students come from all over to attend our programs: 7 provinces, 14 States and 9 countries, including Mexico, Argentina, France, Germany, Australia, Norway and Japan.

KCCIHS offers the following TCM programs:

ACUPUNCTURE Program - 3 Years

TRADITIONAL CHINESE MEDICINE HERBALIST Program - 3 Years

TRADITIONAL CHINESE MEDICINE PRACTITIONER Program - 4 Years

DOCTOR of TRADITIONAL CHINESE MEDICINE Program - 5 Years

Why Nelson?

Location! Location! Location!. Nelson, BC is a beautiful mountain town boasting some of Canada's most spectacular scenery, a vibrant arts culture, fantastic live music venues and festivals, world-class skiing, mountain biking, and spectacular hiking. Nature lovers will find no shortage of outdoor pursuits! Students with families find it an exceptional environment for raising children.

We have recently relocated to two magnificent heritage buildings on Baker Street -- the heart of downtown Nelson. These new locations offer an attractive and convenient setting for our student clinics and dispensary, bookstore, and classrooms.

Ask us for a tour!

DID YOU KNOW...

- > 75% of the population in Canada has used complementary medicine at least once.
- ➤ In the United States, 158 million of the adult population use complementary medicines and according to the USA Commission for Alternative and Complementary medicines, US\$17 billion was spent on traditional remedies in 2000.
- ➤ In the United Kingdom, annual expenditure on alternative medicine is US\$230 million.
- > The global market for herbal medicines currently stands at over US\$60 billion annually and is growing steadily.
- TCM stands for Traditional Chinese Medicine. TCM includes acupuncture, herbology, diet therapy, Tui Na (massage) and Medical Qi Gong.
- Doctors of TCM have an equivalent level of education as Chiropractors, Naturopathic physicians, Homeopathic physicians a minimum of seven years of education.
- Licensing is different across Canada. Only five provinces have licensing requirements for Acupuncture, TCM practitioners and TCM Herbalists: British Columbia, Alberta, Ontario, Newfoundland and Labrador, and Quebec. In October 2013, the first Pan-Canadian examinations have replaced part of the provincial ones. In BC National exams will be held for the R. Acupuncturist, the R. TCM Herbalist and the R. TCM Practitioner. At this point the Doctor of TCM exams are still held by the CTCMA directly. Starting 2017 they will be part of the Pan-Canadians as well.
- > The College of Traditional Chinese Medicine Practitioners and Acupuncturists of BC (CTCMA) is the self-governing body for practice in British Columbia. They administer the TCM and Acupuncturists Bylaws established under the Health Professions Act of BC.
- In order to be able to practice Acupuncture and Traditional Chinese Medicine in British Columbia, applicants must pass written and practical Pan-Canadian examinations in each area of practice. Doctors of TCM in BC have successfully completed three sets of examinations (six exams in total).
- Licensing varies in the USA from state-to-state. Overall it is regulated by NCCAOM & ACAOM. Some States have Acupuncture Boards.
- > There are four different designations of practice in BC:
 - Registered Acupuncturist R.Ac (3-vrs of specialized education)
 - o Registered TCM Herbalist R.TCMH (3-yrs of specialized education)
 - o Registered TCM Practitioner R.TCMP (4-yrs of specialized education)
 - Doctor of TCM Dr.TCM (5-yrs of specialized education)
- ➤ The Pan-Canadian examinations are the outcome of work done by regulators across Canada the Canadian Alliance of Regulatory Bodies for Traditional Chinese Medicine Practitioners and Acupuncturists (CARB TCMPA). CARB TCMPA is the national organization of provincial and territorial regulatory bodies that govern and monitor the practice of Traditional Chinese Medicine Practitioners, Acupuncturists and/or Herbologists.
- There are hundreds of registered Acupuncturists, TCM Herbalists, Practitioners and Doctors in BC. The West Kootenay area is home to over 30 practitioners.
- Nelson has a free Acupuncture Addictions Clinic. Funded by the IH (Interior Health), it provides an alternate treatment method for people with smoking, drugs, alcohol and food addictions. It is located at 333 Victoria Street

and is staffed by a licensed practitioner and 3rd year KCC students on Tuesdays from 1:30 – 3:30pm and by a licensed practitioner on Fridays from 9:30 – 11:30am.

- ➤ KCC students complete a higher number of hands-on clinical training hours than students at other British Columbian TCM schools: 600-700 hours in the 3-year programs; 1,008 hours in the 4-Year program; and 1,173 hours in the 5-year program. Also our programs contain more lecture hours than the other TCM schools offer in BC.
- KCC students learn clinical skills in the KCC Outpatient Clinic; the KCC Student Clinic; the KCC Herbal Dispensary; the KCC Classroom Clinic; the Nelson Acupuncture Addictions Clinic; the KCC Tui Na Clinic; and through 6, 12, & 14-week practicum placements.
- ➤ KCC & Selkirk College work together to benefit students in our community. Over the years KCC students have partnered with Selkirk students in the Human Service Program to mutually hone their counseling skills; have utilized the Selkirk Castlegar science labs; and have accessed Selkirk computer labs to conduct research for their upper-level research papers.
- > Dr. Bruce Pomeranz, MD (McGill) PhD Physiology (Harvard) produced the first scientific evidence to show that acupuncture relieves pain by inducing the body to release endorphins in 1975.
- The World Health Organization has publicly announced that acupuncture is suitable for treating:
 - Ear, Nose & Throat disorders: toothaches, gingivitis, acute or chronic otitis, acute sinusitis, acute rhinitis, nasal catarrh and acute tonsillitis
 - o Respiratory disorders: asthma, bronchitis, coughs, colds & allergies
 - Gastrointestinal disorders: esophageal& cardio spasm, hiccup, gastroptosis, acute or chronic gastritis, sour stomach, chronic duodenal ulcers, acute or chronic colonitis, acute bacillary dysentery, constipation, diarrhea and paralytic ileus
 - Eye disorders: acture conjunctivitis, central retinitis, near-sightedness (in children) & cataracts without complications
 - Neurological & Muscular disorders: headaches, migraines, trigeminal neuraligia, post-stroke paresis, peripheral neuritis, neurological bladder dysfunction, bed-wetting, intercostals neuralgia, cervical syndrome, frozen shoulder, tennis elbow, sciatica, low back pain & osteoarthritis
- Acupuncture has been used for centuries in China to treat a host of other problems such as *joint pain, sprains* & strains, stress, skin problems, infertility, sexual dysfunction, PMS and most gynecological complaints.
